MAXWELL PLUMER

Full Stack Developer | AWS Cloud Practitioner

Lake Wales, FL 33898

maxplumer12@gmail.com

+1 813 613 8463

Full-stack developer dedicated to building dynamic, user-friendly, and feature-rich products. Experience working in an agile environment, with skills in both the front and back end. Dependable, self-starter, with a passion for learning and improving my craft.

Authorized to work in the US for any employer

Work Experience

Associate Programmer Analyst

NextEra Energy (Contract) - Remote

October 2021 to June 2022

• Updated and refactored existing CloudFormation Infrastructure as Code templates, using the AWS CDK
• Constructed REST APIs by integrating API Gateway with Lambda functions to maintain a serverless architecture
• Automated business workflows leveraging GitHub Actions and AWS EC2 instances
• Created reports and dashboards to give team leads more insight into GitHub and AWS metrics at an organizational level via Splunk

Small Business Owner

TV Prop Masters LLC - Saint Petersburg, FL

June 2018 to October 2021

• Developed processes relating to job flow, payroll, accounts receivable, schedule tracking, and business analysis
• Built solid vendor relationships with industry-leading companies such as Dyson, DeLonghi, LifeStraw, and Bissell
• Hired, trained, and led small teams for all necessary projects

Freelance WordPress Developer

Jumpstart Productions - Clearwater, FL

July 2021 to September 2021

• Completely re-designed the client's existing WordPress site, building a custom theme and plugins via JavaScript, PHP, HTML, and CSS.
• Utilized Adobe Creative Suite to design and edit the site's logo, photos, and videos.
• Implemented Google Analytics and Tag Manager to create and track sales funnels and conversions.

Freelance Full Stack Developer

Creative Earth, LLC - Remote

April 2021 to August 2021

• Managed the migration of the client's Etsy store to the Shopify Platform
• Built and managed private and custom apps to improve sales and delivery processes

- Implemented Google Tags, Analysis, and Ads to enhance marketing campaigns and conversion

Education

Bachelor of Science in Information Technology
Purdue University Global - Remote
September 2019 to July 2022

Certificate of Completion in Web Development Bootcamp
Vanderbilt University
June 2020 to January 2021
